**RE: In re Johnson & Johnson Derivative Litigation,  
Civil Action Nos. 10-2033 (FLW), 11-4993 (FLW), 11-2511 (FLW)**

Dear Litigants and Objectors:

The Court is in receipt of Brent and Kimberly Clifton's ("the Cliftons'") objection to the proposed settlement in the above-referenced case. In their objection, the Cliftons raise several substantive challenges to the proposed settlement and, further, request permission to be able to listen to the October 18th settlement approval hearing via telephone. The Court will consider the substance of the Cliftons' objection, however, it would be impractical and a burden on the Court's resources to allow the Cliftons telephone access to the hearing. Accordingly, their request for telephone access is DENIED. They are certainly welcome to appear in person if they so choose.

Very truly yours,

s/ Freda L. Wolfson
